Benefits

The Riviera Owners Association (ROA) is an international non-profit organization formed in 1984, in the belief that the time had come for this great Buick to receive the attention it deserves. We are dedicated to the preservation, restoration, and promotion of the Buick Riviera. We concentrate on the needs of the Riviera owner.

Riviera

Our growing membership consists of many prominent collectors, restorers, authors, mechanics, and researchers with years of experience who share their expertise. Our membership also includes dealers of used, NOS, and reproduction parts required to repair and restore our cars. It is our purpose to coordinate our members' experience with our own to bring you reliable and up-to-date information.

Our web site provides information on our organization, information on each year, a list of regional and national events, as well as links to online discussion groups, cars for sale and a membership application. Our "Members Only" section includes a roster of members, statistical data, technical tips and other resources. Membership is possible online with credit card of PayPal, by fax or by mail.

Individual attention to specific problems is handled quickly by us and/or our Technical Advisors, and is available by phone, mail or e-mail. ROA maintains an extensive library to help our members with specific problems or questions.

Membership

Membership is open to all who share the enthusiasm for the Buick Riviera. Our information focuses on the needs of our members, and covers all Rivieras from 1963 to 1999.

The Riview is our 36-page, full-color bi-monthly magazine filled with information on the Riviera, exclusively. As our membership has grown worldwide, so has the content and quality of *the Riview*. It contains features on member's cars, repair and restoration articles and tips, information and reports on our Regional and National Meets; questions and answers, information on available current and collectible publications, and reproduction of obsolete material. Our classifieds average 8-10 pages of cars for sale, used, new, NOS and reproduction parts, as well as literature. Ads are free to members, who sell their parts. ROA is not in the used car or parts business.

Each member receives the current issue of *the Riview*, a membership card, club decal and club cards upon joining ROA.

You are invited to join with other Riviera owners who enjoy sharing their pride in owning a Buick Riviera.

Does all this sound interesting?
