

1963-65 Fisher Body Plate Codes

Note; the codes that appear on this plate were options installed by Fisher Body Division. These were installed from the firewall back, but are not a complete list of options installed later in the assembly line. Standard equipment, engine information, options and engine information is listed elsewhere on the website.

1963 – early '64

(These codes are the same as on the codes listed on the 1963 salesman's order form and on the Window sticker)

- D- Provisions for any of the five radio options (D1-D5)
- I6 Soft-Ray tinted glass – all
- I7 Soft-Ray tinted glass – windshield only
- J2 Power seat, 4- way adjustment (Code found on trim code line)
- K4 Rear window defogger
- N2 Air conditioning
- S7 Remote side view mirror
- S8 Remote side view mirror and door edge guards
- U6 Power vents
- U7 Power windows
- U8 Power windows and power vents
- X- Wiring harness (for Guidematic (X1) & Twilight Sentinel (X2))
- Z4 Remote trunk release

Note: Code "SU8" on your data plate identifies "S8" as well as "U8".
