

Rise and Dine!

Back to Polly's! Saturday, September 13th in Orange

Well, it's pretty much end of summer...man this car show season flew by me. It's time for us to get our Rivas and Toronados out for some exercise while we eat also. Please plan to meet up at Polly's Pies in Orange for a Rise & Dine breakfast on Saturday, September 13th. This location was extremely popular when we went there in October of '13 (see photo)... so let's go back for 2^{nds}. They have a very large breakfast menu and the most amazing cinnamon rolls I've ever eaten. Their parking lot is quite large... pull straight to the back as you see in the picture; it should be real easy for us to again all park together. Let's plan to meet up between 8 and 8:30 and sit down for breakfast at 9... Their address is: 2025 N. Tustin St., Orange CA 92865. They're right off the 55 Freeway midway between the Lincoln and Katella off-ramps.

Hope to see you on the 13th...if you would, please RSVP to me at riviera66@aol.com or 714.740.0101 just so I know how many are likely to attend to assist the restaurant in set up.

Did you attend Colorado Springs? We had 3 class winners from our region there... I hope those great cars can also make it to our events this year. Here's just a few of the out-of-state cars that caught my eye there...

Sincerely,
Darwin Falk, LA/OC Regional Coordinator for ROA & TOA
