

Australian ROA National Meet March 26-29, 2026,

There's never a dull moment when Rivas come together and that was again proven at the eighth ROA Australian National. Where 44 enthusiastic Riv nuts brought 18 Rivas to Moama in southern New South Wales. We had three days to get acquainted and renew old friendships.

On Friday we cruised to Deniliquin, and the Historic Vehicle and Memorabilia collection at *The Depot*. Followed by lunch at the Crossing Café and then back to Moama and dinner at the local bowls club.

On Saturday we held a Show and Shine at Port of Echuca beside the Murray River wharf. Followed by a convoy to the Great Aussie Beer Shed, what could go wrong, right! Dinner that night at *The American Hotel* in Echuca seemed more than appropriate.

On Sunday it was a visit to the Museum of Vehicle Evolution at Shepparton in Victoria.

Awards were presented on Sunday night where a 1965 owned by David Kidd received Best of Show for his body-off restoration. Ladies Choice Award went to Anthony Ward for his 1963 and Gentlemen's Award to a 1965 GS owned by Tom Kunek.!

Another very successful ROA Australian National event organized by ROA coordinator, Tom Kunek.
